DENOMINACIÓ D'ORIGEN

The wine

Terra Personas wines typify everything that is uniquely Montsant: bold, generous and full of aromas with varietal integrity and expression of the climate and soil. The Art of wine making is about gathering people who enjoy the earth we share, wine made by people, for people.

Vinification

Grapes are harvested early in order to keep the fruit and higher acidity. Fermented in stainless steel tanks at cold temperatures on his lees. Grenache Blanc is fermented and aged in new French oak barrels for 5 months.

Norrel Robertson MW tasting notes

Attractive pale straw in colour. Clear and bright a green tinge and some viscosity. The nose displays a pronounced intensity of pear and citrus fruit, notes of pineapple and complex, subtle aromas of vanilla and toast from the barrel fermentation and ageing sur lie. Mouth filling and refreshing with ripe citrus fruits and a long mineral finish.
